CALENDAR OF EVENTS

Tinicum Park Polo
961 River Road, Erwinna, PA
(just south of Frenchtown on Rt 32)
Saturday, September 12, 2026

We will start at the Clinton Station diner on Rt. 173, Clinton, NJ at 10:45 and have a leisurely back-roads drive to the Park. We should be there in plenty of time to set up our chairs and Canopies. Bring your own food and beverages. Antique Driving preferred, but not required!

Gates open at 12 pm. $20/car for fieldside access; games begin at 2 pm.

We will park fieldside and enjoy a tailgate party before the matches. A timed period of play is called a chukker. Because Polo is extremely hard on the polo ponies, the chukkers are kept short, 7 minutes and 30 seconds. Players are required to switch horses between each chukker to keep the animals fresh and safe, with many riding up to 12 different ponies per match.

In between matches, all are encouraged to "stomp divots" or walk around and meet the players and their ponies.
During half time, you can try your hand at hitting a polo ball off the metal horse. Free to all who want to try, time permitting.

SIGN UP. We need your name and a Day of Event contact information. We will contact you if the match is cancelled due to overly wet fields, rainy weather or extreme heat. Please RSVP to Bobbi (Bobbi170b@gmail.com; or 973-867-8802)

For those coming from the local area, we will meet at Tinicum Park at 11:45 and the take the 2 minute trip to the polo grounds together.
